

Peter Rich
Criminal Justice Consultant Credentials
September 2009

Peter is a nationally recognized criminal justice consultant. He brings 35 years of extensive experience in the planning and programming all types of criminal justice facilities, including jails, prisons, juvenile detention centers, courthouses, and law enforcement facilities. Since 1985, Peter has directed 400+ criminal justice projects in 37 States. He has completed over 125 needs assessment and master plan projects, 10 state master plans, and 170+ pre-architectural programs for over 50,000 correctional beds. His projects experience includes new, renovated, expanded facilities as well as low-rise, mid-rise, and high-rise type facilities. He has completed over 75 staff plans and numerous facility operations assessments.

Prior to being an independent consultant, Peter was the National Justice Manager for an Atlanta-based design / build firm. Prior to this he was the President of CSG Consultants and Vice President and Operations Director for Correctional Services Group. Both Kansas City based firms were nationally recognized criminal justice consulting firms.

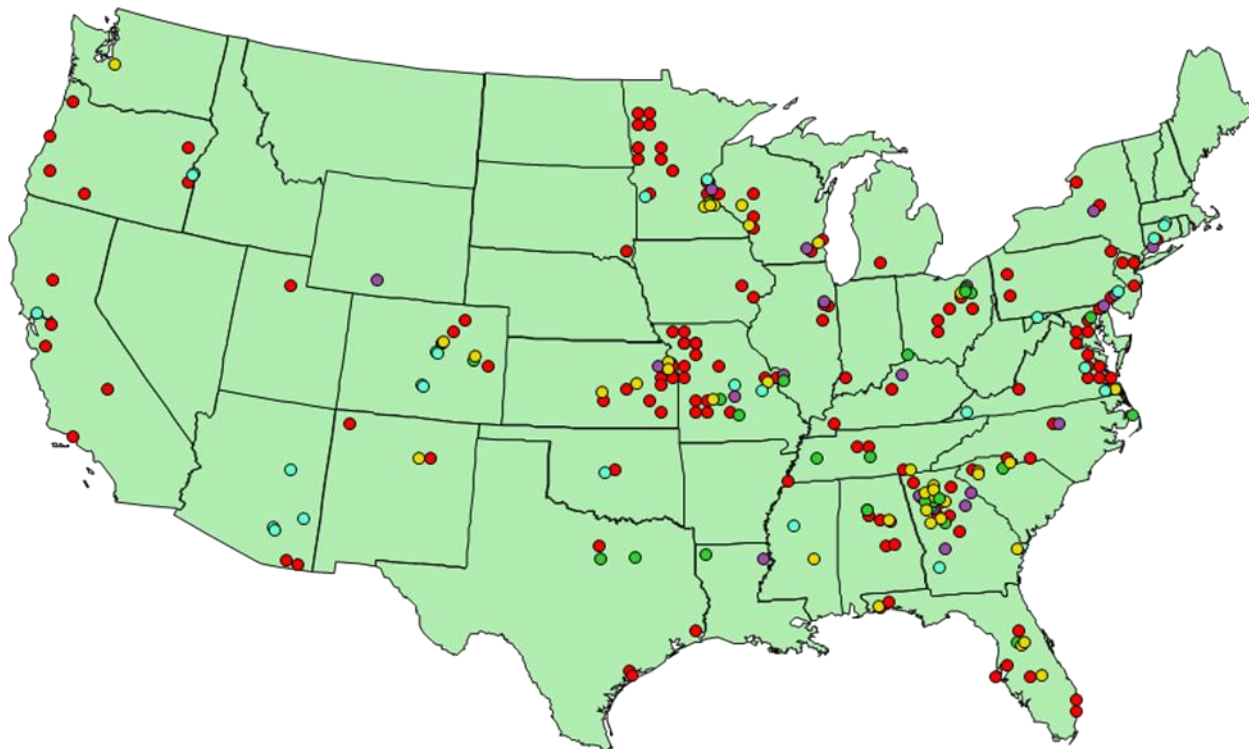

Prior to entering the private sector, Peter worked for two United States Federal Justice Agencies – National Institute of Corrections (NIC) and the Federal Bureau of Prison (FBOP). Peter served as a Corrections Program Specialist with NIC, responsible for training nearly 3,000 correction professionals. While with the FBOP, Peter held positions of teacher, Education Director, ACA Accreditation Manager, EEO Investigator, and Public Information Officer. He also provided training at FBOP national training centers.

Peter has been a speaker at numerous national criminal justice conferences including the American Correctional Association, American Jail Association, National Association of Court Administrators, and the National Sheriff's Association.

Peter earned his Bachelor of Science and Masters Degrees at the University of Pittsburgh. He is a member of the American Correctional Association, American Jail Association, National Sheriff Association, and National Association of Court Managers.

The following pages describe Peter's criminal justice consulting project experience.

Peter has completed 400+ criminal justice projects in 37 states since 1985. The following provides a map illustrating the location of his completed projects. Following the map is a list of his criminal justice projects by state.
